UNDERSTANDING OUR COMMUNITY

COMMUNITY MAPPING

STEP 1: GROUPS

Questions to ask:

Do different programs or departments connect with different constituent groups?

Do services or products target different people?

How would you describe your community to someone unfamiliar with your work, and identify if it is relevant to them?

STEP 2: GOALS

Questions to ask:

Why does the community continue needing your services, programs, or work?

What is the value in others participating?

What do you need help with or involvement from the community to achieve?

How can your work improve with engagement?

STEP 3: CHANNELS

Questions to ask:

Where does this group already talk or engage with each other and with you?

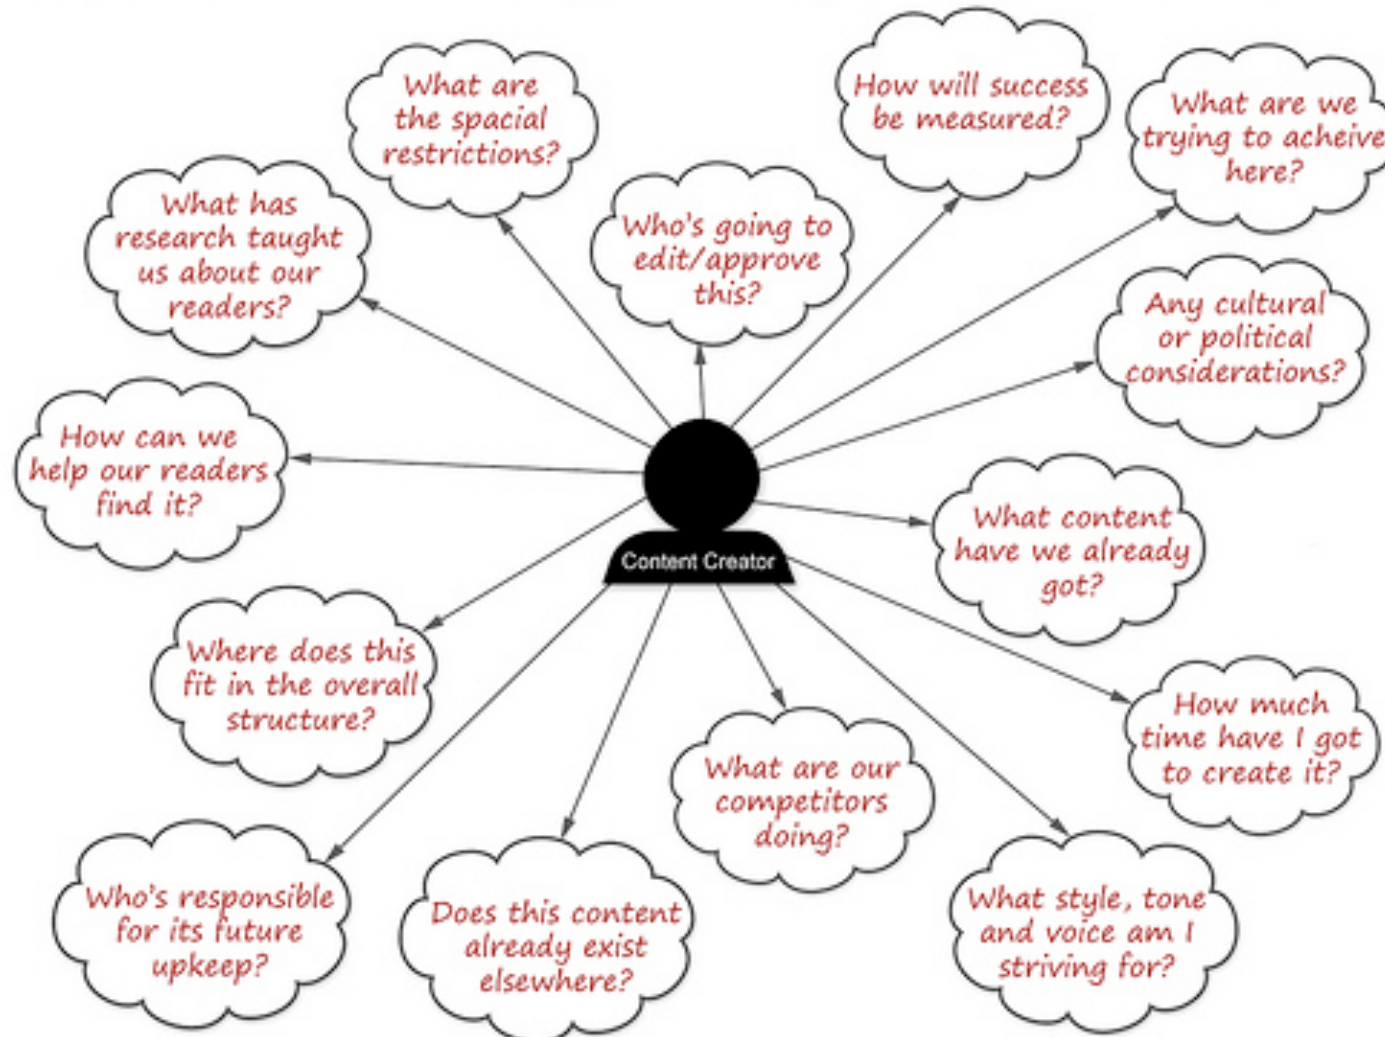

Which channels/platforms are most appropriate to the kind of content they need?

What kind of engagement is required to match the goals?

STEP 1: FROM MISSION TO GOALS

Questions to ask:

What do you do and why do you do it?

What does success look like?

What kind of change will we see in the world through this work?

STEP 2: FROM GOALS TO ENGAGEMENT

Questions to ask:

Where does your community engage and how does that engagement contribute to your campaign or ask?

What actions or engagements are most critical and which serve other goals?

What value are you creating with your community?

STEP 3: FROM ENGAGEMENT TO DATA

Questions to ask:

How will you know that engagement is happening?

What kind of tracking will help you see results in real time?

What data is most helpful for showing your community they are making an impact?

What data is most helpful for storytelling about your work?

STEP 1: FROM MISSION TO GOALS

NTEN Mission:

NTEN aspires to a world where all nonprofit organizations skillfully and confidently use technology to fulfill their missions.

We are the membership organization of nonprofit technology professionals. Our members share the common goal of helping nonprofits use all aspects of technology more effectively.

STEP 3: FROM ENGAGEMENT TO DATA

Example indicators:

- # of outside articles & engagements
- Retweets and shares per post
- # of Member requests for specific information
- mentions of #NPTech and NTC
- guest content (NTEN blog) promotion
- leading referral sites (external)
- leading referral platforms (social media)
- referral site with longest on site time
