#BlackLivesMatter
Movement Makers - Systems of domination and violence must be upended together and that where Black lives are denigrated, exploited, violated and detained by the state with impunity there can be no true safety and justice for the documented and undocumented women and girls in our communities. The same systems and institutions that failed Mike Brown and Eric Garner have also failed Marissa Alexander, a survivor of domestic violence who harmed no one, yet continues to serve time in prison. Black lives matter. http://bit.ly/1DAIBW3
