**CONNECTING
IN AND OUT
of school learning**

The image features a dense, intricate network of thin, light-colored lines (edges) connecting numerous small, bright nodes. This network is superimposed on a dark background filled with a multitude of starburst or radial light patterns, each consisting of many fine lines radiating from a central point. The overall effect is one of a highly interconnected and complex system.

Commitment to Action
WE COMMIT TO TAKE ACTION
We are committed to the principles of the
American Recovery and Reinvestment Act of 2009
and to the goal of creating jobs and saving the
middle class. We will continue to work together
to address the challenges of the current
economic crisis and to build a stronger, more
resilient economy for the future.
