Call to Order and Welcome

Rini Banerjee welcomed everyone and called the official business meeting to order at 10:04AM. She engaged the group in a spirited and insightful conversation about the actions each person is taking both professionally and personally to meet the current moment.

Approval of the Minutes

Rini presented the minutes from the December 5, 2024 Board Meeting.

On a motion duly made, and seconded, the minutes from the December 5, 2024 meeting were unanimously approved.

Finance and Audit

2024 Year End Results

Kathryn O'Neal-Dunham reported that PNY ended 2024 exactly as projected with the key item of note being the allocation of \$320K to the 2025 budget as a revenue line.

Acceptance of the 2024 Audit

Brennan Gang joined to report that the audit was good with only a few minor notes to be addressed by management. She thanked Kathryn and Nafeeza for their work in shepherding the process. Kathryn noted that as a result of the change to new auditors, the audit does not include the 2023 numbers. Both Brennan and Kathryn commended the new auditors for employing better audit software, being more detailed, and having a very collaborative approach.

On a motion duly made, and seconded, the 2024 Audit was unanimously accepted.

Governance and Nominations

Outgoing Board Members

Kathryn noted that there will be four Board members rotating off: Laura Aden, Rosanna Aybar, Neill Coleman and Tanuja Dehne. She thanked them for their valuable service on the PNY Board and reminded them to attend the Annual Meeting so that we can celebrate their leadership.

New and Second-term Board Nominees

Irfan Hasan introduced the new slate of members to join the PNY Board. The two members who are up for their second term are Channon Lucas and Jenny Negron. The four new nominees are Beatriz de la Torre, Ingrid Rasmussen, Euan Robertson, and Toya Williford.

Executive Committee Slate for 2025 – 2026

Rini concluded the Governance and Nominations updates by calling for a vote on the new Executive Committee slate, as follows:

Chair: Don Chen

• Vice Chair: Irfan Hasan

Vice Chair: Rickke MananzalaTreasurer: Channon LucasSecretary: Jenny Negron

On a motion duly made, and seconded, the Executive Committee Slate for 2025 – 2026 was unanimously approved.

Public Policy

Neill Coleman explained that PNY is presenting a public policy strategy this year in order to respond to the rapid changes at the federal level. The strategy will help the organization make difficult choices, focus energy and address emergent needs. Instead of outlining particular legislation that PNY will follow this year, the strategy focuses on the criteria the staff will use to determine which actions to take and which policy tools to deploy to be most impactful.

On a motion duly made, and seconded, the 2025 Policy Strategy was unanimously approved.

Member Engagement Discussion

Jenny Negron highlighted some of the key findings from the 2024 Membership analysis. She noted that member retention has dropped from 92% to 86% while the number of new members remains relatively

high at 24 with some being returning former members. She noted that there are some trends the Committee on Members is paying attention to:

- We experienced a higher drop than usual from small foundations who have been unengaged over a long period of time
- Several Grantmaking Public Charities had to make difficult decisions about membership because they have experienced a drop in overall donations; and
- The field of PSO's has expanded over time, and PNY has one of the most expensive memberships

Kristen Ruff and Donita Volkwijn joined Jenny to engage the Board in a discussion on membership trends and member engagement. Additionally, they shared some recommendations made by the Committee on Members:

- Talk to dropped members to understand why they dropped
- Identify advocates at larger organizations to promote awareness of PNY programs
- Continue to remind people about PNY's role as a resource
- Invite current members who have lapsed in engagement to events like the Annual Meeting

Kathryn concluded this section by previewing that the Board Evaluation this year will feature an openended question about how Board members can help support member engagement efforts.

CEO Report

Board Retreat

Kathryn reminded the group that the upcoming Board Retreat will be on May 20th and 21st at Pocantico. In the retreat evaluation from last year, all participants mentioned the desire to have more opportunities for relationship building so we are exploring ways to include time for group activities, including an art tour and morning walk.

Risk Analysis

Following the first risk analysis meeting with Laura Abel of the Lawyers Alliance for New York, Kathryn reports that most of PNY's activities are deemed low risk and that our speech is considered nonpartisan. We will likely bring some of the risk tolerance scenarios for discussion with the Board either at the retreat or at the Board meeting in October.

Trustee Engagement

Kathryn previewed an upcoming trustee engagement opportunity on April 3rd when PNY hosts a Trustee Salon featuring Lori Bezahler and Cristina Jimenez, both formerly of the Edward Hazen Foundation. All Board members should encourage their trustees to attend with them.

Annual Meeting

Kathryn reminded all that the Annual Meeting is on May 15th, with the Business meeting portion starting at 1:00PM. Dimple Abichandani will join as the keynote speaker followed by three concurrent sessions around adaptive leadership, adaptive strategy, and one with Lawyers Alliance for New York about courage and risk. She welcomed any Board members whose foundations would be willing to sponsor 100 copies of Dimple's new book for distribution at the meeting.

An Invitation

Kathryn shared that participants in recent convenings of both the Large Foundation CEOs and Small Foundation CEOs networks highlighted the actions they are taking in the uncharted territory we are entering now. It feels important for PNY staff to continue seeding big, challenging ideas into member discussions and infusing these ideas into our communications and policy work. She invited Board members to reflect on the important goals that are needed to attend to the unprecedented moment we are navigating as a sector and encouraged them to share with her the ideas that PNY should carry into our network and working group discussions, programming and communications with members.

After a brief Executive Session, and there being no new business, the meeting adjourned at 12:08 PM ET.
